GEOFFREY GOODE is the Secretary of the Proportional Representation Society of Australia (Victoria-Tasmania Branch).

He was **National President** of the PRSA from 1986 to 1993, and was the Editor of its quarterly on-line newsletter, *Quota Notes* until 2014.

The PRSA advocates entrenchment of parliamentarians' **direct election** using **non-stage-managed** quota-preferential PR, without large district magnitudes.
